We have posted about this project in the past but had numerous setbacks due the success of our first feature film and it's DVD release "Clayton & Claudia." We are currently in the rewrite stages of our gay suspense short film drama (IMDb credibility) you can view our trailer on youtube and IMDb for a better idea of the work we do: <http://m.youtube.com/watch?v=1mNG85H3CFc> and look us up on IMDb.

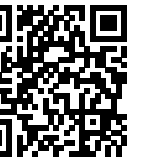

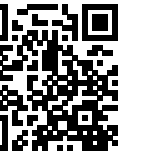

We are NOW officially accepting enquiries for this project, please submit a headshot or photo, a short email about your experience, or resume. This is an open call audition, if you have submitted to this ad in the past you are graciously asked to resubmit due to the unfortunate setback. We will reply to all emails towards the end of February for auditions dates in March and shoot dates (MUST MUST BE AVAILABLE!!!)

Hi Lloyd,

I don't think we actually talked but I'm Bobby Shue and I'm sure you heard of the recent feature project John Charles was involved in of mine which has been getting some great buzz and feedback from various festivals. My good friend Stacy Sala and I are finishing up a short 20min LGBT Suspense, this project should only take a couple of days to shoot (though we haven't set a date for filming yet) Stacy and I are seeking male and female cast members for this project

Storyline: Gregory Donovan is a successful author who hires an unknown landscaper, Jake Calahan who is struggling financially with a wife and two kids. Jake and Gregory begin an affair that was supposed to be casual, but after Gregory runs back his ex, Jake becomes restless and can't live without Gregory...which leads to a whirlwind of tragic events.

We are casting Men and Women for this part and look forward to hearing from you.
