I'm looking for a sexy girl who I can spoil all the time. More or less, a sugar baby :) I'm 29 and a successful business owner. I currently own 2 companies and work way too many hours. I would like someone who I can unwind with. I will take you out to dinner/drinks, vacations, shopping, allowance, car, hair, nails, massage, tanning, etc etc. All you have to do is look sexy and have a great personality. Must be 18+. Prefer white and mexican girls. Not into big girls or black girls. Sorry. If you are interested, please text 602.32nine.030seven. I've posted pics of what I'm looking for.
