Rocky is a one year old blue nose pit bull. He is super sweet and will grow up to be a loyal protective dog. He loves everyone so much but has not yet learned how to demonstrate his affection without jumping on them. He is house broken, crate trained, neutered and up-to-date on all his shots. Rocky needs a lot of exercise and room to run. He loves going on hikes. He is good with other dogs and loves to play and snuggle with them. We are getting ready to have a baby and just do not have the time to devote to Rocky that he needs. We also are not sure he will be able to contain his excitement and tendency to jump around the baby. We want to make sure Rocky is going to a good home where he will be loved and cared for as much as he is here. We are asking for a rehoming fee of .
