Murphy is a German Shepherd mix, about 5 years old. He is about 55 pounds but is pretty thin! Murphy is neutered, current on vaccinations, and micro-chipped. Murphy is such a sweet, gentle boy. He loves belly rubs and riding in the car. He is also housetrained. He didn't know what a doggie door was, but he's catching on pretty quickly that he can go outside whenever he wants! He's dog friendly and has been very playful with his foster brother and sister. He loves toys and playing with tennis balls. To meet this dog, please call Kersti at
