SINGER? SONGWRITER? FEELING LOST???

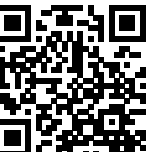

Why is it hard for new and aspiring artists to find a manager? Because in the music industry today, **managers and agents and others are not interested in working with someone who doesn't bring in \$\$ already.** Managers work on commission, and it is too time consuming to develop an artist, and have NO GUARANTEE of any return. Ever. Therefore artists miss out on the DEVELOPMENT, the OPPORTUNITIES and the GUIDANCE they so desperately need to succeed.

As National Projects Director of the Songwriters Hall of Fame I worked with 1000s of artists, including such as Lana Del Ray and Lady GaGa, both of whom I discovered Lynn is without any hesitation the best music industry consultant and artist development specialist that I have encountered in my 35 years in the music industry.
