We are a pop punk band consisting of a drummer a guitarist and a guitarist and singer we are of age and are serious about making music and need someone who can commit. We have songs written but are open to writhing more with your help . We want someone who is hard working and dedicated . So we can go into the studio and record out EP . We have a great bass amp if you don't have one you just need to bring the bass and yourself but if you have your own that's a plus ! our influences are

- State champs
- Blink182
- New found glory
- All time low (old)
- Sum 41
- Taking back sunday
- The story so far
- Real friends

(You get the idea )

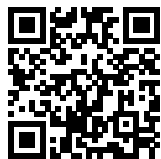

Please contact either call or text and ask for Brandon and we would love to work with you we are all friendly and super dedicated and have pro gear! So hit us up let's get this thing going !!!

Ps we live jam in mablton . But if you don't have a solid ride and are close by I ( brandon ) can hook you up . Only if need be . Anywhere in atlanta should be fine ! It doesn't get better than this
