Location **Wyoming**
<https://www.genclassifieds.com/x-279290-z>

This female dog was found over the weekend by North Crow Reservoir. She has no collar or microchip and there are no lost dog reports at either the Laramie or Cheyenne animal shelters. If you know of anyone, possibly who was in the area over the weekend from out of state or out of town, who is missing their dog, please PM me. She has some basic obedience skills and is house trained, so she was someone's!
