Sit back, relax, and get your feet massaged by someone who genuinely LOVES women's feet. Just a fit 24 year old guy with a foot fetish that loves giving foot massages and is willing to drive to you, give you an amazing foot massage, pay you, and then leave. Very simple. If you have girlfriends that would be interested, I'd be willing to pay them as well. Always looking for more feet to work with. Willing to pay 20 an hour and could possibly turn into a weekly pay. Please reply with a picture of your feet. JUST looking for women. Let me know if anyone's interested.!
