3 year old neutered male American Bulldog mix. He is good with children, no small children because he is very high strung and hyper and will knock them over. He is good with my 6 year old. However not be around cats or other small animals. Gets along with other larger dogs, however he is too big to play with smaller dogs because he is too big and will hurt them. Needs a home with a large fenced in yard and someone who can handle him. He can be quite stubborn and is too much for me to handle at the current time. I have had him almost a year and have tried to work with him however, I just am not capable to do so with recently starting a full-time job, I do not have the time that I need for him. He has all of his shots and is not due again for them until July. He also needs grain free food because other foods make his skin dry and itchy. I am asking a $100 rehoming fee to ensure that he goes to a good home and is not used for fighting.
