We're looking for people to use our iPhone app and give us feedback.

We'll have you test our iPhone app by performing a handful of tasks, giving us feedback as you do so. You should be an iPhone user but you don't need to be any kind of expert; in fact, we'd prefer people who consider themselves average users.

We'll need about 30 minutes of your time and will give you \$25 in cold hard cash. The sessions will take place this Monday, February 23rd, between 9am and 4pm.

Our office is at the corner of Front & Vallejo and is easily accessible from the BART and Muni via the Battery stop.
