I am looking to sell my 2004 Cadillac Escalade 1500 All Wheel Drive. 170,000 miles, 6.0L, automatic, 4x4, 3rd row seat, Black exterior, Dark grey interior. Just put new Good Year Wrangler Duratrak tires on, new brakes, & air compressor for the air ride system. It is up to date with all maintenance & needs nothing! Interior is in excellent condition with NO rips or tears. Exterior has some small rock chips & scratches which is typical for a older vehicle. Please feel free to contact with any questions. \$14,000.
