I'm trying to sublease my room at the University House from May 11 to July 30 this summer of 2015! I live in a 4 bedroom with super sweet roommates who will be in and out all summer. You don't have to pay for May! Just June and July. Comes with parking spot, pool, volleyball court, fire pit, 24 hour gym, tanning bed, game room, and is furnished! It would be $535 a month. Willing to negotiate move in time. Check out http://universityhousefayetteville.com for pictures. Message if.
