

Moving a small shed (Wiggins to Tabernash)

I am looking to buy a small shed...8 x 8. It is a wooden shed. It is located in the Wiggins CO area and we live in Tabernash CO west of Winter Park. I do not have a vehicle sized to pull a trailer with a shed. I was thinking to potentially rent a uhaul trailer if someone had a truck that could pull it and assist in transporting, loading and unloading the shed. I'm not sure what a fair price would be to offer for this gig. Of course, I'm not rich or I'd hire a carpenter to come build a shed on our property. We need it for a chicken coop.

If you have ideas or can offer a fair price for the move please email or call. If you do not reach me please leave a message. If I'm out of the service area my phone does not show missed calls, but I do get the voice mail and/or text when I get into the service area

Don't want to miss getting this shed. My son and I are looking forward to housing our chickens in it.
