I'm a single mom with a young child and need a larger vehicle for all our stuff. I've driven this car like the granny driver I am, and it has been consistently garaged and well maintained. I've just replaced the original battery and the windshield wiper motor. There is a line of LEDs missing from the tuner display so I've shown that in the photos. It's been a great car but I'm motivated to sell, to a point. Please let me know if you have any questions. ,
