We have a 6 month old Great Pyreneese male puppy that needs a new home. He is a beautiful pure-bred dog that is already showing some great qualities. He is an excellent watch dog, and has been around many kids and other animals and is very friendly. We are looking for a loving home for him with owners that have some knowledge in training and are willing to work through the puppy stage with him. Please call or text Marvin if you are interested. We will be asking for a re-homing fee. Thank you! And we will post pictures.
