Drake

Drake is a one year old black mouth cur mix. He has been in obedience school, he does well on the leash for our walks, he's crate trained. He is good with adults, although too rough for children. Drake is very protective of his yard. He is current on all shots, neutered, chipped, house broke, good with SOME other dogs (extremely excited when he meets them & some dogs don't want to deal with that), but does not have manners with cats. For more info on Drake, please contact Tammie or Jason FIVE ZERO FOUR -915.
