

# I can be a midwife for your pregnant pets (Makiki)

Location **Hawaii**  
<https://www.genclassifieds.com/x-280746-z>

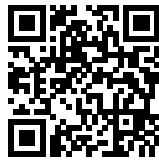

I have much experience helping deliver puppies and kittens to help your dogs and cats in labor. Usually they are afraid the first time or so. I can help deliver them with no problem.

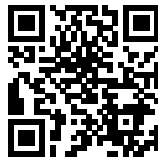

If you need my help let me know!  
thanks,  
Stephanie
