I am a TEFL certified English teacher who has taught both Spanish-speaking adults and children in both Spain and Argentina for th classes to Spanish children. I learned Spanish as an adult so I am able to work with students closely and empathize with the problems they may have while learning English as a second language.

I am creative with my lessons and incorporate daily activities and themes.

I live in North Phoenix but am willing to commute to anywhere in the Central Valley as well.

I charge \$20-\$25hr, depending on the location, and would be happy to meet with you to discuss your

level, desires, topics of interests before we begin the classes.

Soy una profesora de inglés certificado con un TEFL. He enseñado inglés a ambos adultos y niños de España y Argentina durante muchos años en su vida y las actividades y lecciones que generalmente son las más beneficiosas para mejorar su inglés.

Vivo en North Phoenix, pero no tengo ningún problema con conducir al Central Phoenix para dar las clases.

Presto \$20-\$25/hora depende de la ubicación y estaré feliz encontrarle antes de empezar las clases para hablar de su nivel de inglés y sus deseos y necesidades que quiera lograr por mis clases.

Slow computer? Virus or spyware problems? Network problems? Laptop issues? My name is Chris and I am a certified A+, Network+, Server+ and Security+ Technician, certified through CompTIA. I am also ITIL, CCENT, CCNA, CCDA, CCNP, CCDP and CISSP (Cisco Certified Network/Design Professional & Certified Information Systems Security Professional) for my expertise in setting up and troubleshooting complex multi-million dollar enterprise and data centre networks, and completely securing them. These skills seamlessly translate to your home or business. I guarantee you won't find a more skilled or qualified IT consultant in Victoria.

Please e-mail me with a detailed description of your problem and I will usually respond the same day. Speedy service is guaranteed, and turnaround time is 1-2 days, weekday or weekend.

My services:

- Free consultation via e-mail or telephone (e-mail is the preferred, quicker method)
- Bring your problem device to me (\$60/hr)
- Option to work at your home (\$80/hr)
- Please ask me about my business rates

Software Support:

- Windows XP, Vista, 7, and 8
- Apple products (iMac, Macbook, iPad, iPhone, Apple TV, etc.)
- Microsoft Office 2003, 2007, 2010 and 2013

- 
- Virus/spyware/malware removal
  - Anti-virus setup
  - Data backups/transfer/recovery; includes e-mail transfer to another computer
  - Optimize/speed up PC for maximum performance
  - Windows password recovery

Hardware Support:

- Laptop setup or repair
- PC setup or repair
- Printer setup or repair
- Custom computer builds; professional or gaming
- Hardware cleaning

Network Support:

- Network speed optimization
- Install/configure routers, switches, firewalls and VPN
- Wi-Fi setup
- Extend Wi-Fi range
- Network security setup
- Network backups
- Cloud storage setup

If your problem is not on the list, please let me know as I can most likely still resolve it.

Thank you, and I hope to hear from you soon.
