

Looking to startjoin a band (College Park)

Location **Washington** https://www.genclassifieds.com/x-281176-z

Hello, so I've always wanted to be part of a band for a while now, and would love to have the experience before I graduate. I play the guitar and the violin. I would love to have a group to play with for fun, and who knows, maybe it could turn into something. Some of my musical interests include hozier, red hot chili peppers, lana del rey, arctic monkeys, metallica, the weeknd, radiohead, the kooks, marina and the diamonds, smashing pumpkins, bruce springsteen, john mayer, the killers, james blake, sublime, and a lot more. I have some covers on youtube but most of them were recorded a while ago and I've improved since then.
