## Hides, Pelts, Furs (Manassas, VA)

Location Washington https://www.genclassifieds.com/x-281186-z

Hello, I live in Manassas and I would like any hides, pelts or furs that you don't want/need and are willing to give away. I recently started the hobby of tanning different hides (deer, raccoon, squirrel, etc.) and I would like to keep experimenting. As long as it's not a stinky road kill I'd love to take any animal! I can pick up in Manassas (possibly Woodbridge and Occoquan depending on the location). I'd would also like any already tanned pelts or furs that you don't want anymore.

Thank you for looking! :)
