Hi folks I just started a long term job at the intersection of Lee Jackson Memorial Highway (route 50) and Gum Spring Road (route 659) in the sterling/dulles/chantilly/south riding area.

Work hours are from 6:30am to 3pm monday to friday.

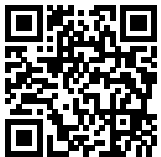

What I am really looking for is more than anything a ride to work in the mornings. If you head out that way I could meet up somewhere convenient for you. I can be dropped off really anytime before 6:30am at that intersection or relatively close to there within half a mile or so.

I can for sure pay gas money every week a full amount at the start of the week not a problem or if you wanted to arrange some other type of payment that's cool too.  
I can give you a copy of my ID or anything that would make you feel comfortable.  
Thanks for your time folks!
