Spring is right around the corner! Does your golf cart seat need some attention? We can repair or reupholster your seats to look like new. We can save you money, by doing this at home. If you bring the seats and material, I will provide the labor for a reasonable price. If we provide materials, the cost will be higher, but still affordable.

I can also repair tarps and other heavy duty sewing machine projects. * No clothing*
 If you have something, just ask me about.
