We are a family of 3 seeking a home to rent or care take a home in Spreckelsville. We are open to the right neighborhood in Kuau. We have been living in Kuau for the past three years but it is our dream to be living in Spreckelsville near babies beach and in a safe family neighborhood. Our son is 6 years old and is of the age where he is riding his bike and we would love to be in a neighborhood where he could do this safely. We spend much of our free time at baby beach where he loves to swim with the other keikis in the gentle sheltered cove there. We know it is difficult to find a rental in Sprecks and this is a long-shot. However, we would like to tell you more about ourselves in the hopes of finding our dream rental home or caretaker situation. I am a massage therapist, esthetician, clothing designer, singer/songwriter who is passionate about healthy living and organic lifestyle. My husband is a land owner/property manager, entrepreneur, health practitioner/healer and musician. Eventually, we are looking to buy our dream home on island when we find it. We kindly ask your consideration in renting us your home. Being responsible home owners on the mainland we will treat your home with the utmost respect and care. Thank you for your time.!
