These are natural (white) cotton/canvas backpack/handbags with drawstrings. These may be biodegradable and eco friendly (as most cotton/canvas products are) but since it is not listed on the bag, I didn't want to list them as such. These are all new and never been used. All are the white/natural color. Here are more specs:

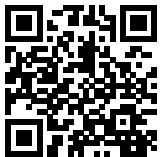

Item Description: Canvas Drawstring Backpack
Ultra-lightweight, 2 oz.
Material: 2 oz cotton canvas
Size: 16.00" x 16.00"
Color: White/Natural
Condition: Brand New

I have the ability to customize these with anything you would like (from your art or I will design). I've uploaded a picture as an example. These would make great promotional gifts as giveaways, a girl's weekend or the beach. Endless uses for.
