Vintage 1950's Hawaiian Panama Style Straw Beach Luau Tiki Party Hat with Parrot Leis and Flower on top. Used condition but in really good shape for it's age. I received this years ago with some items from the 1940's - 1950's so I am guessing it is probably from the 1950's. Probably a small size. It is roughly 18" x 16" x 9". I searched and searched but couldn't find another one like it with the parrot and leis on.
