Congress needs to stand up and protect the Constitution of the United States. The last 2 elections should give them some idea ,a hint of where our heads are at. We the people do not give a rat's ass what the democrats want. Let them protest, live in tents, do drugs , yell and scream or whatever. Use the power of the purse to strangle these stupid money wasting departments. Get rid of the IRS. The dept of Education, revamp DHS and stop immigration... .
