
performed to their satisfaction. Confirmations are usually made the same day.

If you do not have a Pay Pal account, you will be paid via company check in the mail. Checks are mailed each Friday.

We are currently working on direct deposit and once this service is available direct deposits will be made within 24 hours after confirmation (excluding weekends).

We are only looking for the best and most professional tradesmen in order to offer our customers the highest quality service, so if you do not meet ALL of the following requirements, you will be excluded.

Requirements

1. At least 5 years experience in each trade that you would like to be able to receive work orders on. (i.e If you want to receive orders for drywall hanging and finishing, you will need 5 years experience in that area. To receive work orders for anything pertaining to electrical, you will need 5 years experience in that area and so forth.) In order to verify your experience, you will need pictures showing your work in that specific trade and 2 verifiable references.

2. Tools for the trades you are requesting work for. You will be required to submit a tool list for each trade.

3. Your own reliable vehicle.

4. A smart phone with GPS and the ability to send and receive emails, sms messages and pictures. If you do not have this, you will not be able to receive work orders, submit orders or accept payments.

5. The ability to pass a background check. You will be required to send a copy of your current driver's license.

All jobs are 1099 and you will be required to fill out a w4.

We understand our requirements are stringent, but we are looking for quality not quantity. If you meet ALL of the requirements and would like to proceed, please send an email with your name, phone number, experience, what areas you can service, and you will be contacted within 48 hours for a phone interview.
