I am looking for the best home for Baby Anjuna. She loves playing and loves attention. Anjuna has already been de-wormed. She knows a few tricks like "Sit", "Bark" and "Paw." She is very energetic and curious. I am a current student and can't give her the care she needs since my schedule varies. She has a few toys that I can include as well as her crate. I have already begun the process of crate training her and she's done a well job.

If you have any questions please feel free to contact me. 919 260 two048 I am asking a re homing fee of \$225 OBO

Thank you,

Vanesa
