I am seeking a tailor to partnership with me in a home based business. I would like for the tailor to make clothing from a sketch that I have designs and will have new designs of clothing and go 50% on boutique and material. I am an art student and have a very creative mind full of fashions that are authentic. Must have police background check, no drugs or felony records. The business will be at the ground level for both partners. I have 600 copyright dress, fur coat, and beautiful suit designs already made in sketch form. Only interested persons call Regina A. Murray, Regina A. Murray's
