Seeking someone to accompany me on a 3 1/2 week trip to Europe in June.
I am 40 years of age and have recently decided to retire, at least for a while.
I've done little but work and save for the past 20+ years and I would like to relax and enjoy life for a while.
On Monday morning, June 1, 2015, I will be flying to London, making my way to Paris, Rome, Tuscany and southern Italy. Trip is a little open-ended as I may extend it by a few days or add other destinations.
I tend to be independent, often traveling alone, so as to have more freedom, but I would really like to have a companion for this trip. I am willing to pay a qualified young woman $1000 per day, plus airfare and ALL expenses (which will include fine hotels and restaurants) for the experience.
This is a generous offer; I make it as I want to enjoy this vacation WITH someone.
I am putting this ad out three months before leaving as I hope to get many responses and would like to choose the right person.
I'm looking for a young woman 18-24 or so, most importantly mature in mind and well- mannered and good hygiene. No drug using or crass types. I am white and generally prefer white woman but certainly if you meet the above criteria I will consider you. Also important that you be a positive and optimistic person; I don't want to spend a month with someone who is whiny!
Send me a message if you are interested and free during June and I will get back to you to set up a meeting /.
