Hello:

If out there someone has an older or distressed parrot, dwarf macaw, or conure that needs extra TLC and you can not keep your bird anymore, please contact me.

I have a lot of experience with many types of different birds because I have dedicated my entire life in helping and taking care of any bird that needed care and love.

I am for real, I am NOT a scammer,... and I can give you plenty of very good references too....and now that I am retired I have a lot of extra time to dedicate to any bird that needs my attention.

On the other hand, if you are trying to sell a bird, please don't contact me.

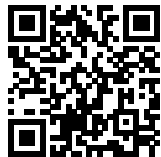

Thank you for reading my post.
