I have a litter of 3 precious pups. There are 2 males (sable and white) and 1 female tri color. They were born 12/27 and are now ready to go. They have been vet checked healthy, vaccinated, dewormed and come with a health warranty, free health exam, puppy starter kit and care instructions. Pups are well socialized and love gentle children. These pups are small and will be about 8 lbs grown. For more info please call or text Barb.
