Looking for motivated people to bring in sales leads. This is a work from home position. How this works is for every website development client you bring to us than signs a contract to have a website built you get \$600.00. Bring in 10 or more in a 30 day period and get paid \$750.00 per paid client. You could make \$7500.00 or more in 30 days. The company you would be selling for has been in the web development business for 22 years and has thousands of happy, satisfied customers. We are not fresh out of school with a slim portfolio to show. We have a 95% retention rate so the odds of you getting paid are great. Interested? Just reply to this email for more information. Serious inquiries.
