Talk about the deal of the century...

I have a few brand new Warrior Foosball Tables which failed to pass final inspection because of exterior blemishes.

These imperfections are barely noticeable but my final inspection guy is one tough SOB.

This table features great play ability and exclusive Rod Guard System to keep kids safe from being injured by extending rods.

But the only way to get this amazing offer is to contact us today by email text or the number listed above as they will be gone in no time.

This is a professional quality Foosball Table and the recognized table of both the ITSF and the USTSF the sanctioning body of table soccer nationally and
