We are looking for a new home for my daughter's hedgehog. She is 1 1/2 years old, salt and pepper colored and very active.

We will include....

- food bowl
- water bowl
- travel cage
- hamster type excersie ball
- exercise wheel (her favorite)
- dome type shelter
- 3 additional toys
- 2 snuggle pouches

We are asking for a \$100 rehoming fee.

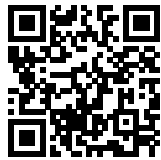

*please also remember that you will need to make sure she is safe around larger pets like dogs and cats. She is also nocturnal so she will be playing at night ??
