

New 2015 Toshiba Satellite P50 Laptop Notebook Windows 8 (850 USD)

Location **New Hampshire**

Toshiba P50 laptop that is open but still new and unused. Absolutely no blemishes, dings, scratches, or dents. The only thing preventing it from being "brand new" is the fact that it has been opened. All of the original packaging, CDs, etc. are included. Also included are a CaseLogic sleeve and a very nice leather laptop bag.

This is a custom Built Computer, and it is "NOT A REFURBISHED MODEL" (online going for well over \$1,000.00 dollars custom built)..... A real Bargain for the price!
