We are a small church in Angier in need of someone to clean our sanctuary, fellowship hall, and restrooms once a week.

The sanctuary cleaning includes (each only when necessary):

- Pick up loose papers and trash
- Take out trash
- Vacuum pews and floors
- Sweep
- Dust

The fellowship hall cleaning includes (again, when necessary):

- Wipe tables and counters
- Sweep and mop floors
- Vacuum rugs
- Clean coffeemakers
- Take out trash

Three restrooms will need toilets, sinks, and floors cleaned as well.

On an average week, one person can do it all in under an hour and a half.

If you'd be interested, please contact us. You are more than welcome to come out and talk before you make a decision.
