Hey Its Bob from Red River Range. Just thought I'd let you know that OPEN MIC NIGHT at WALL STREET TAVERN is the real deal. It's a great time & what a well ran event. David Jenkins does an awesome job coordinating this thing & the Bar itself is a fine fine establishment. All the people are so friendly & its just got a welcoming comfortable feel to the place. Great food, Great people & Great music all add up to a great time in my.
