Copper

I moved and have no wall space now for this lovely picture. Glass in tact. Features double matting, beautiful copper frame, some of paper on back is missing (see pics) but does not affect the front, and hooks on back for line hanging. There is some sage green in the pic as well as between the double matting. The flowers have 4 Latin definitions, (see pics). In superb condition. Very nice for a hallway or bedroom. Pick up only. Text me if.
