

# Dirtbike For Sale (200 USD)

Location **Oklahoma**  
<https://www.genclassifieds.com/x-282775-z>

Dirtbike is currently not running due to dead battery and no gas (fuel was drained upon storage). Bike ran without issues before it was stored. With a fresh battery and fresh fuel you or your child will be having fun again. Fenders could be replaced for cosmetic effects. I acquired the weed eater shown in photo for extra motor or parts that is included in purchase.

There is a website I am attaching a link below with the price, specs and photos of same model motorcycle for reference.

Asking \$200.00 cash OBO for bike and weedeater.

Please reasonable cash offers only.

Thanks for your time.
