Hello My name is Cody and I own Monkey King Pictures. What is photography if not self expression. With that said I am looking to capture the pure self expression of a female for artistic nude black and white photos. I am just starting out so i can only offer ttf. I would like to find someone that I can collaborate with again in the future.

I have samples of my work which I will supply once you contact me.

I am looking for an average to short Asian female to model for.
