I have one blue male pit bull left. He is soild blue with some white in chest and paws. He looks just like his daddy. Daddy is a paper American blue nose pit and mom's a razor edge and gotti blue brindle. I have the puppy almost pottied trained. He is though puppy pad trained , crate trained, and trained to sit for treats. He is a very well behaved puppy. He will be 7 weeks on wednesday. He was born 1-7-15. I do have his 1st shots done and de wormed. I was holding the pup for a friend and they baled last minute so I have put ALOT of time and money into him. I am asking 350 dollars or best offer bc of full blood and all the things I have done for him already. No low ballers but will bc open minded to REASONABLE offers. Please txt at
