

Lighting, Ceiling Fan, Generators, Residential Electrical

Location **Virginia**
<https://www.genclassifieds.com/x-283068-z>

Electrician with 18 years experience scheduling side work for the Spring. I am a professional technician and will respect your home. I don't mind small tasks or projects. Great RATES!

Most common work includes:
receptacle repairs
lighting installation
adding ceiling fans

I also have an inventory of used portable generators and cord sets for sale.

Please text or call for estimates or inquiries.
