The Business comes with a 1997 GMC Topkick Box Truck (18') with Side Door and Storage Box Below. Just put on new front tires on the truck (Back ones are Good)

The Insulation Machine is a Arkseal Big Blower (Takes up the whole front end width of the truck)

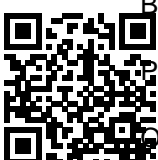

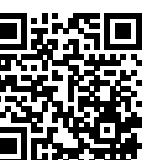

The insulation machine is used for blowing attic & sidewalls (this is not a small rental machine)

You can also blow Blown in BIB System.

Both items in very good condition

Price is \$28,000 for the Truck & Equipment
