1998 Dodge Stratus, 2.4 16 Valve 4 cylinder engine, front wheel drive, 149k, automatic transmission, power windows, power locks, cruise control, A/C, rear defrost, dual air bags, good tires, fresh tune up and oil change, does not have any leaks or burn any oil, brand new detachable face cd player, freshly cleaned in and out. Very clean little car, runs great. There are a few very small dings/scratches, but nothing major. Only known issue the car has is that there is a "popping" noise in the front end of car when going over bumps, unsure whether its the struts or bushings?? Small tear on upper side of seat. Please call or text before 8 p.m. 307-329-692two. Title in hand. \$1950. CASH ONLY, NO!
