I can play anything you hear on the top 40 any music channel mostly today's stuff. Rock, pop, country, I like today's music but I can also play the classics From papa roach to lady gaga I play it all. Musical prodigy, I play guitar, both lead and rhythm. I also play base and drums well. I play in multiple tuning drop d, and 4/40 Double drop. Garth Brooks to Marilyn Manson I play it all Incubus, fuel, Nickel back , Green.
