GenClassifieds.com wanted to adopt bichon or poodle mix (will travel)

Location **Pennsylvania** https://www.genclassifieds.com/x-283219-z

I have been looking to adopt a poodle or bichon mix. Prefer younger dog who is sweet and friendly. Looking for small white or even a chocolate poodle mix as long as the dog is fluffy. Will consider young adult as long as the dog is nice :-)

Please email me pics and the age and adoption fee. We have a wonderful vet and groomer waiting for the new addition to our family. We have visited shelters and pet finder and eBay, but the dogs are either unavailable, expensive, or we can't find a girl!

Willing to pay up to 100 for the pup and we will travel to the poconos, Delaware, jersey, New York, or Rhode island areas and we will come pick her up. If you have a new litter we are willing to wait until pup is ready.

Thanks and God!
