NEEDED Ride from Oly to Portland on Thursday 226 (West Oly)

Location **Washington** https://www.genclassifieds.com/x-283452-z

Hey-o, I need a ride to Portland from Olympia anytime on the 26th. I can pitch in for gas, and am willing to do all the driving if you'd like (clean license, been driving 8 years and can drive stick). I'm also good company if you like stuff and things, as I also like stuff and things so we could talk about stuff and things. I only have one small bag with me.

Thanks in advance!
