Hello

I am currently looking for a bed for my son who has Cerbral Plasy....I curently only have a mattress due to a bed bug issue that my landlord didnt tell me about eww well that fight is over....I am looking for a full to queen size bed for my son he is currently 9 years old and a wonderful little boy I am currently out of work and cant afford a new bed for my little guy and its not fair for him to have to sleep with his mom every night nor is it good for him lol...if anyone has any ideas please let me know and please help me out if you can? thank
