

# Custom Kit Cabins (Idaho)

Location **Wyoming**  
<https://www.genclassifieds.com/x-283871-z>

Cricket River Kit Cabins teamed up with the Amish to offer custom milled kit cabins in 2006. We use all kiln-dried lumber, milled by the Amish. The Amish of Kentucky will precut and pre-spline all the SIP panels and tongue and groove lumber to your design specifications and ship you a complete cabin or home kit which includes everything you will need: panels, lumber, door(s), windows, metal roof, Tyvek, gap seal foam, liquid nails, caulking, screws, exterior stain. Have the satisfaction of building it yourself or let us put you in contact with a supervisor or crew. For more information and pricing, call or look us up on the web, Cricket River Kit Cabins.

You may ask, what is a SIP? It is a Structural Insulated Panel

â€?SIPs are green and they save time and labor. Pre-fabricated SIPs save builders a significant amount of on-site labor.?

â€?SIPs are ready to install when they arrive, eliminating the need to perform the operations of framing, sheathing and insulating.?

â€?SIPs are superior to traditional framing for R-value and shear strength?

â€?SIPs score well in the following Green Rating Systems: LEED (Leadership for Energy and Environmental Design) for Homes, NAHB Green Building Program and ICC (ICC 700 National Green Building Standard) &;
